Please see the notice of "cut motions" relating to the Budget for 1948-49 on pp 1-2& ante.

All the cut motions relate to Demand IX "Heads of Provinces, Ministers and Headquarters Staff " and have been given notice of to "discuss policy" or the "administration" or some such urgent thing. The subject in respect of which the M.L.As want to discuss policy of Government have not been stated and there is hardly any time to ascertain this from each of the M.L.A's as the Demand is to discussed on the 8th March 1949.

2. The Demand relates to "General Administration" and the Budget Estimate for 1948 - 49 is as follows:-

CHARGED.	VOTED.
Rs.14,83,000	

t he estimate shown under "charged" is on account of the following:-

Salary of the Governor, Sumptuary allowance
Secretarial Staff of the Governor
Staff and Household of the Governor.
Ministers and the charged portion under "Secretariat and Headquarters establishments"

The estimates shown under Voted is on account of Secretariat and Headquarters Establishments (excluding the Charged portion).

5. Under section 79 (1) of the Government of India Act, 1935, so much of the estimates of expenditure as relates to expenditure declared to be "charged" on the revneues of the Province by section 73(3) and other provisions of the Act shall not be submitted to the vote of the Legislative Assembly. Hence the cut motions give notice of will not affect the Demand in respect of the items referred to in the previous paragraph but it may be mentioned that the Section of the Act does not prevent the discussion in the Legislature of estimates other than those relating to the slary, allowances, household staff, office etc of the Governor, for which provision is required to be made by Order-in-Council.

6. In the absence of an indication as to the particula aspect of Government policy which the Hon'ble Members who gave notice of the cut motion wish to discuss, it does not seem possible to offer any remarks. Presumably the Members wish to discuss the policies of Government generally without any special reference to the items comprising this Demand.

7. The file may be submitted to Hon'ble the Premier who is to move the demand.

The demand is likely to be moved by H.M.(Home)
May be circulated to him.

To A.S.

Please see the cut motion on p 1 above. The M.L.A. wants to discuss about the relief to be given to the domestic servants who have been Thrown out of employment on account of the Europeans leaving India after 15th August, 1947. Some representations were received in this Department for providing relief to such demestic servants. In connection with a petition received from the Vizagapatam District from the domestic servants, the remarks of the Collector of Vizagapatam were obtained and the Collector promised that the cases of those servants who were thrown out of employment would be considered for employment as peons and chapprasis provided they have the requisite qualifications. There is also proposal in the Firka Development department to give training in fruit earning and fruit preservation to such demestic servants on a cottage industry basis. This section is not concerned with Demand IX and the cut motion will presumably be replied to Hon'ble Premier along with other out motions under this head. As the Public department is the administrative departmant concerned with this demand. This may be returned to that department thro' the Firka Development department, who are concerned with 'A' above.

Firka Development.

To D.S.

The cut motion at p.1 above and the notes of Development there on from p.2 ante may be perused. with reference to'A' on page 3 ante it is submitted that Harijan M.L.A's have passed resolutions among other things in a connection held at Madras that the Hirijans should be given training in fruit Industry including canning for the preservation of fruits and food articles. This matter was considered in-consultation with the Development Department Development felt that it was a highly technical process requiring machinery and export technical ~~process~~ director and all that could possibly be done in this direction at the present moment would be to send selected Harijan candidates for training at the Codur Research Station under the Agricultural Department-free of cost. The matter was referred to Director of Industries

he also agrees with the suggestion of development. The Commissioner of Labour has to be consulted as to whether there is any provision in the scheme of the Kodur Institutions for the payment of stipends to deserving students to meet the cost of boarding and lodging.

With these remarks the file may be passed on to Public Department.
